

# YuccaPlus®

Item Number: 13-2020

**Product Description:** YuccaPlus is a 100% natural product made entirely from the stem of the *Yucca schidigera* plant, without preservatives or carriers. It is produced by mechanical means not by chemical extraction. YuccaPlus is effective in reducing ammonia levels and other objectionable odors. *Yucca schidigera* has been shown to enhance livestock and poultry performance.

**Ingredients:** 100% ground *Yucca schidigera* plant.

|  |           |
|--|-----------|
| Total Dissolved Yucca Solids (TDYS)..... | ≥ 40% w/w |
| Saponin Content.....                     | ≥ 10% w/w |
| Moisture.....                            | ≤ 7%      |
| Crude Fiber.....                         | ≤ 28%     |
| Crude Protein.....                       | ≥ 1.5%    |
| Ash.....                                 | ≤ 11%     |
| Crude Fat.....                           | ≤ 3.5%    |
| Carbohydrates.....                       | ≥ 47%     |

**Physical Description:**

|                            |                         |
|----------------------------|-------------------------|
| Color.....                 | light brown             |
| Fineness.....              | 98% thru 60 Mesh        |
| Apparent Bulk Density..... | ≥ 34 lb/ft <sup>3</sup> |

**Suggested Mixing and Use Directions:**  
(Per ton of complete feed)

|   |            |
|---|------------|
| Swine / Poultry Starters.....           | 85 g       |
| Swine / Poultry Finishing & Layers..... | 43 g       |
| Dairy and Feedlot Cattle.....           | 1 g/hd/day |

**Packaging:** 44 lb (19.96 kg) bag
