

Phibro's Scientific Posters and Oral Presentations

Code	Abstract ID	Title	Author
Respiratory Diseases			
S1-P22	2300072	Epidemiology of Infectious Bronchitis in the Middle East & North Africa, with Special Reference to The Unique Variant GI-23 IS/1494/06 Field Strain and Vaccine Solutions.	Sik Ali Ihsan, Baris
S1-P23	2300158	Epidemiology of Infectious Bronchitis Virus Strains in Poland, Ukraine, and Baltic States 2019-2022.	Hodorowicz, Wojciech
S1-P32	2300181	Heterologous Protection of Two Infectious Bronchitis Vaccines Against Challenge with the Thai GI-19 (QX-Like) Strain in SPF Bird.	Ashash, Udi
S1-P36	2300379	Infectious Bronchitis Variants in Sub-Saharan Africa: What do We Know so Far?	Blanco, Oscar
S1-P39	2300102	Introduction of A Novel Newcastle Inactivated Vaccine Phivax ND G7 (r NDV-LS-HNgVII) Developed by Phibro for the Israeli Poultry Industry. Field Trial Results and Data from Commercial Usage.	Kin, Eitan
S1-P60	300486	Worldwide Epidemiology of the Highly Virulent GI-23 (Variant 2) and the Cross-Protection Conferred by the Live Vaccine IBVAR206.	Goldenberg, Dana
Immunosuppressive Diseases			
S3-P4	2300150	A New Approach to Gumboro Disease Prevention in Layer Chickens in Vietnam.	Nguyen Manh, Ho
S3-P5	2300150	A New Approach to Gumboro Disease Prevention on a Commercial Native Bird Farm in Vietnam.	Ferreira, Leandro
S3-P8	2300134	Broilers Commercial Study of Live IBD Vaccine Application at Day of Hatch in Indonesia.	Hadi, Setia
S3-P14	2300084	Comparison of Protection Against Challenge with vvIBDV Field Isolates in Commercial Broilers Vaccinated at 1d of Age with Immune-Complex and MB-1 IBD Hatchery Vaccines.	Ashash, Udi
S3-P16	2300184	Comparison of The Onset of Seroconversion and Performance Between Commercial Broilers Vaccinated with Two Immune Complex IBD Vaccines and a Live MB Vaccine.	Nguyen Manh, Ho
S3-P22	2300405	Differences in Bursal PCR and Blood Seroconversion in Commercial Broiler Flocks Vaccinated with Two Different Vaccines in Brazil.	Hunka, Eva
S3-P41	2300398	Gumboro Disease Virus Reassorting Infections - a Field Study on Overcoming Disease.	Krupa, Marta
S3-P45	2300138	Layers Commercial Study of Live IBD Vaccine Application at Day of Hatch in Indonesia.	Hadi, Setia
S3-P60	2300589	The Persistent Problem of Very Virulent Infectious Bursal Disease (vvIBD) in Central and Eastern Sub-Saharan Africa (CEA).	Blanco, Oscar

Code	Abstract ID	Title	Author
Intestinal Health			
S4-P1	2300063	Effect of Quillaja and Yucca Saponins and Polyphenol Combination on Broiler Performance, Health and Welfare and Potential to Reduce the use of Antibiotics.	Siregar, Charles
S4-P2	2300611	A Review: Effect of Feed Deprivation on Intestinal Integrity and Respective Alleviation Strategies.	Stanev, Vasil
S4-P3	2300613	A Review: Effects of Quillaja and Yucca Saponins and Polyphenols Combination on Broiler's Performance and Intestinal Integrity with and Without Pathogen Challenge.	Stanev, Vasil
S4-P25	2300310	Positive Effect of Quillaja Saponaria and Yucca Schidigera Blend in Broiler Coccidiosis Challenge Model and Potential Mode-of-Action.	Stanev, Vasil
S4-P30	2300583	The Effects of a Quillaja and Yucca Combination on Performance and Carcass Traits of Coccidia-Vaccinated Broilers Exposed to an Enteric Disease Challenge	Siregar, Charles
Poultry Production, Sustainability and Welfare			
S10-P1	2300077	An Innovative Vaccination System.	Fernández-Gutiérrez, Africa
S10-P24	2300408	Positive Direct Impact in The Serological Evaluation of Vaccinations with a Vaccination Management System.	Culhari, Eric
Parasites			
S11-P8	2300362	Efficacy of Different Ionophore-Nicarbazin Combination Products in Coccidiosis Challenge Model.	Stanev, Vasil
S11-P22	2300464	The Prevalence of Eimeria spp. in Bangladesh	Mehedi Mohammad Shah, Al

Immunosuppressive Diseases				
S3-O3	2300089	Evaluation of Data from Routine Infectious Bursal Disease Sampling in Southern Africa from 2013 to 2022.	Costello, Charles	Sept. 5 @ 11:30-11:45
S3-O7	2300103	Unveiling the Mode of Action of MB-1, a Live Hatchery Vaccine Against Infectious Bursal Disease.	Loeb, Virginie	Sept. 5 @16:15-16:30
Minor Avian Species and Clinical Cases				
S12-O5	2300199	Field Cases of Hemorrhagic Hepatopathy Syndrome.	Hodorowicz, Wojciech	Sept. 8 @ 11:15-11:30
